Part B: Statistical purpose, expected output and undertaking
– **To be completed by Individual User**
– **Individual User must already have signed a CURF Individual Undertaking for ABS CURFs**

Statistical purpose (please <u>detail</u> the subject of your research and intended outputs eg. journal articles, thesis)**:**

....

....

....

....

....

....

....

....

....

....

....

Expected Output: ....

....

....

....

....

I understand that I am bound by the conditions in the Undertaking previously supplied to the ABS regarding responsible use of all approved ABS CURFs.

I also understand that a breach of the terms of the Undertaking may result in withdrawal of access to CURFs for me or for my organisation. Further, any deliberate attempt to compromise the confidentiality of persons or organisations to which the information in these files relates may be prosecuted under subsection 19(3)* of the *Census and Statistics Act 1905*.

Title:...

Name (please print): ....

Preferred name: ....

Signature: ....Date:................................

Organisation: ....

Email address: ....

Phone number:..

* Subsection 19(3) provides that a person who fails to comply with the terms and conditions specified in an undertaking is guilty of an indictable offence punishable on conviction of a fine of 120 penalty units ($13,200) or imprisonment for 2 years or both.

Part C: Under an existing agreement or a research funded project
– To be completed by Individual User

CURFs accessed under the agreement <u>can only be used for academic research, teaching and non-income generating purposes.</u>
